

JAIPUR MASTER PLAN 2025

Note :

This map is a guide to the type of land use which is appropriate for particular areas/properties. The general land use categories shown on this map are subject to the specific development standards of zoning regulation of Jaipur Master Plan. The zoning regulations may allow land uses which are different from the general land use categories depicted on this map (City level only). Zonal level plans are proposed to be prepared based on the road network in which the civic amenities shall be taken care of. Land use changes will be as per the requirement of law
